## This narrated tour

will show you many diverse and unique areas as you journey through San Diego's vibrant Downtown as well as the Gaslamp Quarter with its old world buildings. ## As a birth doula certified by DONA

**International**, I will be with you throughout your entire labor and home or hospital delivery, providing emotional and physical support to both you and your birthing partner. I will help you formulate a birthing plan while you are pregnant, and help you achieve your dream birth.

## Best known for its near-perfect climate,

70 miles of white sandy beaches, and fun-filled waterfront activities, families can discover SeaWorld, the world-famous San Diego Zoo, San Diego Wild Animal Park, and Legoland.
